HAVE IT YOUR WAY Above and right: At the Spa at the Surrey Hotel, services can be adapted to better fit your aches and pains.

I Want, I Knead

Coming on the heels of a \$60 million renovation, the beaux arts-style Surrey hotel now boasts coffered ceilings, marble archways and, of course, the debut of their spa. The mission here is to create customizable services based on personal consultations, so you can mix and match them to your liking. When you're yearning for a facial that clarifies and moisturizes or a massage that invigorates your sore, achy legs *and* relaxes your tense shoulders, the Spa at the Surrey can handle whatever ails you. For those who can't bear to pick and choose, opt for one of their signature gems like the Jet-Lag Renewal, a glow-restoring, antioxidant-packed facial that will have your skin radiating health. *The Spa at the Surrey, 20 E. 76th St., 2nd Fl., 646.358.3600*
